

American Lincoln Parts

American Lincoln Part - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines which are recognized within the industry as strong and durable equipment that suits the needs of heavy industry and larger infrastructure. Products made in America; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind version of floor scrubber with the Clarke Company who is presently likewise owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln can provide machinery, parts and warranty service for these types of scrubbers that have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of many facility managers where efficiency and results count. Recently, this floor scrubber model has been utilized by the architects in different construction projects such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this sweeper scrubber on site due to the model's excellent quality and utmost performance level for polishing concrete.
