

Trek Part

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over 60 years combined experience with successfully developing, marketing, manufacturing, designing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are committed to offering top quality and new design concepts in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They enjoy offering products which energize both their dealers and their partners and provide production gains to their clients.

The team at TREK likes dealing with new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' skills and needs together with their understanding of cleaning applications, together with owners' strong desire to significantly lessen expense through productivity gains.

When needed, the personnel within TREK and its numerous dealer members in both technical support and parts would be obtainable. Amongst their core values is their high service dedication in their customer service. Keeping their clients' cleaning machinery functioning and ready daily is top priority. The company's top of the line technology delivers dependable machinery that eventually lessens your cleaning cost. The product, the price and the service all work as one to make them the leader in the trade.
